## Missions

**Missionary of the Month: Jim & Karen - MTW:** In January, Jim was able to participate in the General Assembly of the Presbyterian Church of Senegal. It was a very exciting time with our West African brothers, talking about all God is doing here in West Africa. The church here is working on plans to train and equip Elders. In February we were overjoyed to have an engineering team here to do site work and architectural planning for the Senegal Girls Home property. Together with the EPS, we are starting the process of finding a facility for the downtown church plant, as well as the university student ministry. We are hoping to be able to purchase instead of rent. We are in the midst of major home repairs, having all new plumbing installed by our landlady. The pipes are very old and burst from corrosion. We were overjoyed to have our daughter, Lauren, here with us for about a month, during her winter break. -Pray for our friend, Bobby\*, who has made a profession of faith. -Pray for the challenges he faces as a new believer and that the Lord would strengthen his new faith. -Pray for start-up of pastoral residency training program for 4 men. -Pray for curriculum writing for training elders in our context. - Pray for French & Wolof language learning. Contact Jim and Karen at [wjweaver8@swissmail.com](mailto:wjweaver8@swissmail.com). (\*not Bobby's real name).

**Pick up information for Jim & Karen on the Missionary of the Month display in the lobby!**
