

Our Cornerstone family has been blessed with the opportunity to participate and build a relationship with Kennett Square Mighty Writers via hosting a learning pod here at the church.

We have eight students doing virtual school in a few of our classrooms. Many are volunteering already and the blessing of getting to know these students is showing in the excitement and joy on the volunteers faces.

Our liaison with Mighty Writers, Sara Dickens-Trillo, has made us aware of a few immediate needs with many of the participating families. Please consider donating any of the items listed below. Mighty Writers will be in charge of distributing what we collect to the families.

Items can be brought to church and left in the labeled donation bin in the lobby.

Essentials:

laundry detergent
dish soap
bath soap
cleaning supplies
toothpaste

toothbrushes
